2 SCENE 13 – THE AUDIENCE PARTICIPATION SONG

3 THE OPENING BEAT OF QUEEN'S 'WE WILL ROCK YOU' STARTS UP. THE LIGHTS COME BACK
4 UP AS THE CAST STOMPS THEIR WAY IN ALONG TO THE BEAT, CLAPPING THEIR HANDS TOO
5 AS FREDDIE MERCURY AND THE REST OF THE BAND *QUEEN* ALSO COME OUT ON STAGE. THE
6 SONG STOPS A FEW BARS IN...

7

8 FREDDIE MERCURY Hello you lot, you didn't think we'd forgotten about the
9 audience song this year, did you? You all know this one,
10 don't you? Right, who's coming up on stage? What do you
11 think ace drummer Roger Taylor?

12

13 ROGER TAYLOR I quite like the look off that bloke on the third row. He's got
14 eighties hair written all over him. Or at least he used too...
15 looks like he's thinning on top a bit.

16

17 JOHN DEACON Looks to me like there are a load of people out there who are
18 ready to 'rock out' with us.

19

20 FREDDIE MERCURY Bass player John Deacon, drum extraordinaire Roger Taylor...
21 Why don't you and James and Demi go and grab a few people.
22 Brian, you wait here with me, you've got big guitar solo coming
23 up soon so you need to save your strength.

24

25 ROGER TAYLOR, JOHN DEACON, DEMI BAGUETTE AND JAMES BLONDE HEAD OUT AND GRAB
26 SOME PEOPLE.

27

28 FREDDIE MERCURY Right, as well as these lovely people up here, we expect you ALL
29 to join in with this one. It's easy, here I'll show you. Stomp-
30 stomp-clap, stomp-stomp -clap. Come one, let's have a
31 practice...
32 Stomp-stomp-clap, stomp-stomp-clap. Great you've got it!

33

34 JAMES BLONDE, DEMI BAGUETTE AND THE QUEEN MEMBERS BRING SOME AUDIENCE
35 MEMBERS BACK UP ON STAGE.

36

37 FREDDIE MERCURY And as I'm Freddie Mercury, lead singer with the band Queen...

38

39 ROGER TAYLOR ...And seeing as this is FINALLY our scene!

40

41 JOHN DEACON Yep, no getting us off stage this time!

42

43 BRIAN MAY Too right!

44

45 ROGER TAYLOR Yep we've already been out here twice!

46

47 FREDDIE MERCURY Exactly... so I'm going to sing the verses using my beautiful
48 Freddie Mercury voice, but I want you lot to join in on the

1 chorus. Do you remember how it goes? It goes 'We will, we
2 will rock you! We will, We will rock you!' But, we're going to
3 change it slightly... instead we're going to sing out to evil Oskar
4 Goldbottom... 'We will, we will STOP you!'
5 Do you think you can manage that?
6 (WAITS FOR RESPONSE)
7

8 ROGER TAYLOR, BRIAN MAY AND JOHN DEACON CLAP THEIR HANDS ALONG AND JOIN IN
9 WITH FREDDIE AS HE SINGS.

10
11 FREDDIE MERCURY Perfect! Right let's have a practice on the chorus... one,
12 two, three...
13 'We will, we will STOP you! We will, we will STOP you!'
14 Great! Now let's try it with the Stomp-stomp-clap along with it.
15 Ready? One, two three...
16 (STOMPING AND CLAPPING ALONG)
17 We will, we will stop you! We will, we will stop you!
18 Brilliant! Okay, we're going to go for it! Are you lot ready?
19 Maestro, music please!
20

21 'WE WILL ROCK YOU' STARTS UP. FREDDIE PICKS UP A HALF-STAND-MICROPHONE AND
22 SINGS ALONG WITH CUSTOMISED LYRICS. THE CHORUS APPEARS ON THE VIDEO SCREEN
23 FOR THE AUDIENCE TO SING ALONG WITH. THE REST OF THE BAND MIME ALONG. JOHN
24 AND BRIAN HAVE GUITARS AND ROGER HAS DRUM STICKS – PLAYS HIS DRUMS IN THE AIR.
25

26 FREDDIE MERCURY Oskar's a bad boy, makes a big noise
27 Threatening our streets, gonna be a big villain someday
28 An evil grin on your face, you big disgrace
29 Wanna melt Fowey all over the place... but
30 We will, we will stop you
31 We will, we will stop you
32 Oskar, you're a grown man, hard man
33 Shouting in the street, wanna take over the world someday
34 Take that grin off your face, you big disgrace
35 'Cause your evil plan simply has no grace
36 We will, we will stop you, sing it!
37 We will, we will stop you, yeah
38 Oskar, you're an dumb man, poor man
39 Pleading with your eyes, gonna get your plan away someday
40 The smiles gone from your face, you big disgrace
41 Somebody's come to put you back in your place, do it!
42 We will, we will stop you, yeah, yeah, come on
43 We will, we will stop you, alright, louder!
44 We will, we will stop you, one more time
45 We will, we will stop you
46 Yeah!
47

48 FREDDIE MERCURY Take it away Brian
