22 23 24 25 26	DARTH VADER	Do you know, I've been involved in intergalactic battles across the entire universe and fought enemies from hundreds of different worlds, taken on the Rebels and taken down an Emperor but do you know what my biggest problem is
27 28 29	LORD VOLEMORT	I bet you're going to say exactly what I'm thinking Keeping your cape clean, right?
30 31	DARTH VADER	Exactly! You too?
32 33	LORD VOLDEMORT	Man, totally!
34 35	DARTH VADER	I mean, black is THE hardest colour to work with, isn't it?
36 37 38 39	LORD VOLDEMORT	Oh absolutely! I'm out most days doing a bit of evil wizardry here some naughty spell-making there - and this cape it's like it's a lint magnet or something!
40 41 42 43 44	DARTH VADER	I feel your pain. I swear I spend half my time just trying to get bobbles off this thing takes me ages! Especially with these gloves on, plus I've got two robot hands. I almost didn't come today because I couldn't find my lint brush!
45 46 47 48	LORD VOLDEMORT	Oh, if I could meet the person who invented the lint brush I'd shake them by the hand! Even then, though it takes me two hours to do this cape.
