

1 You know, little did I realise when I was trawling my way
2 around the cosmos to assemble these stones, that this Infinity
3 Gauntlet would one day grasp the world's tastiest Cornish
4 pasty.
5
6 DRACULA` It is *that* good?
7
8 THANOS Yep, I gotta say, it's almost yummy enough to make me rethink
9 my plan to wipe out half of all life in the universe!
10
11 DRACULA That's high praise!
12
13 THANOS I know. Maybe I should take it easy on the people of Cornwall
14 and just wipe out more Northerners instead?
15
16 DALEK (IN ROBOT DALEK VOICE)
17 Well, I've got a bit of cold, so I can't taste anything.
18
19 THANOS Yeah, there's a lot of it going around. Why do you think I came
20 up with my plan to decimate the universe in the first place?
21 You think I'm evil now... you should see me when I've got a
22 snotty nose and a head cold... It ain't pretty!
23
24 POISON IVY Tell me about it, I had the lurgy last week.
25 In fact, hang on...
26
27 POISON IVY REACHES INTO A POCKET AND PULLS OUT A PACK OF SORE THROAT SWEETS.
28
29 POISON IVY I think I've still got half a pack of cough sweets on me.
30 Here you go, have a Tune, that should help.
31
32 DALEK (IN A ROBOT DALEK VOICE)
33 Thank you. My throat's been killing me actually.
34
35 THANOS GRABS THE COUGH SWEET FROM POISON IVY, BEFORE THE DALEK CAN TAKE IT.
36
37 THANOS Call that a tune? That's not a tune...THIS is a tune!
38
39 THANOS CLENCHES HIS INFINITY-GAUNTLETED FIST. A MAN, SERGIO, SUDDENLY COMES OUT
40 ON STAGE. HE'S CARRYING A SAXAPHONE.
41
42 A BURST OF THE RIFF FROM GERRY RAFFERTY'S 'BAKER STREET' PLAYS LOUDLY ON-STAGE AS
43 SERGIO THE SAXOPHONIST MIMES ALONG. AFTER A COUPLE OF BARS, THE SONG STOPS
44 AND SERGIO LEAVES STAGE.
45
46 POISON IVY To be fair, that IS a great tune!
47
48 POISON IVY GRABS THE THROAT SWEET FROM THANOS AND HANDS IT BACK TO THE DALEK.

1 JAMES BLONDE Errrm, we just need to go and check on the laser for some
2 reason or other...
3
4 DEMI-BAGUETTE Yes, to make sure it is still working and everything, no reason
5 to worry about anything untoward happening...
6
7 JAMES BLONDE Yeah, it's all totally innocent and not a plan for us to sabotage
8 it or anything like that...
9
10 OSKAR EYES THEM SUSPICIOUSLY FOR A MOMENT.
11
12 OSKAR GOLDBOTTOM Okay, go on then... see you both later.
13
14 JAMES AND DEMI-BAGUETTE WALK CAUTIOUSLY DOWN TO THE LAVA LASER.
15
16 OSKAR TALKS TO HIMSELF.
17
18 OSKAR GOLDBOTTOM Absolutely nothing suspicious going on there.
19 Now, time to get back to my awesome party...
20
21 OSKAR WALKS OVER TO A GROUP OF GUESTS AS OUR FOCUS. JAMES AND DEMI EXIT AS
22 CURTAINS CLOSE.

2 SCENE 15 READYMONEY'S DINNER PLAN

3

4 JAMES AND READYMONEY ENTER FROM OPPOSITE SIDES.

5

6 JAMES BLONDE Readymoney what are you doing here, and where is Demi?

7

8 MISS READYMONEY Don't worry about stinky garlic lady. I was so worried about
9 you, I thought that you were injured or had crashed or...or
10 captured....and....and I have something very important to ask
11 you.

12

13 JAMES BLONDE Well out with it Readymoney. I'm in the middle of a very
14 important mission.

15

16 MISS READYMONEY (FLUSTERED)
17 Well... err.....emm

18

19 MUSIC STARTS AND SHE SINGS PLEADINGLY TO JAMES.

20

21 MISS READYMONEY Let`s do it
22 Let`s do it
23 Let`s go for dinner while the mood is right
24 I`m feeling
25 Appealing
26 And we could even leave tonight
27 I`m hungry
28 In my tummy
29 Lets hit the town and get something yummy
30 Let`s do it
31 Let`s go out tonight

32

33 JAMES BLONDE (BACKING AWAY SINGS)
34 Can`t do it
35 Can`t do it
36 You give me a pain in the neck
37 This fashion
38 For food passion
39 Makes me a nervous wreck
40 No derision
41 My decision
42 I`d rather watch Strictly on the television
43 Can`t do it
44 Can`t go out tonight

45

46 MISS READYMONEY Let`s do it
47 Let`s do it
48 I really want to eat my fill

1		Let`s go
2		`Cause I know
3		I`m gonna eat until I feel ill.
4		Not bleakly
5		Not meekly
6		Take me out to dinner at least twice weekly
7		Let`s do it
8		Let`s go out tonight
9		
10	JAMES BLONDE	Can`t do it
11		Can`t do it
12		You`re really not my cup of tea
13		I`m harassed
14		Embarrassed
15		I wish you hadn`t picked on me
16		No dramas
17		But you`re bananas
18		The only girl I`m mad about wears French pyjamas
19		Can`t do it
20		Can`t go out tonight
21		
22	MISS READYMONEY	Let`s do it
23		Let`s do it
24		Share a spicy vindaloo
25		Frenetic
26		Poetic
27		We could even have a Chinese too!
28		To quote Shelly
29		Fill up my belly
30		You don`t want to stay in and watch the telly
31		Let`s do it
32		Let`s go out tonight
33		
34	JAMES BLONDE	Can`t do it
35		Can`t do it
36		I`ve got a rather big job on hand
37		Don`t push me
38		Don`t rush me
39		I`ve got a busy evening planned
40		Stop nagging
41		I`m flagging
42		I`ve got to stop that laser and I`m not bragging
43		Can`t do it
44		Can`t go out tonight
45		
46	MISS READYMONEY	Perhaps we`ll do it
47		Perhaps we`ll do it
48		Go out when this job is all done
